

## Agility at the Farm Presents Kirstin O'Neill Agility Seminars

Kirstin O'Neill was raised on dog sports, and for more than 25 years has been involved in many aspects of dog training. Having been involved in agility most of her life, Kirstin has won countless regional and national events. She has also earned spots on team Canada on more than 10 occasions between FCI, IFCS, EO, FMBB and WAO with 6 different dogs, in 4 different heights and 4 different breeds, medaling many times. Having competed with Borzoi, Berger Picard, Parson Russell Terriers, Malinois, Brittany Spaniel, Sheltie, Shih Tzu/ACD rescue, and most recently a Pumi that she has big hopes for. Kirstin is well known for working with different breeds, and finding creative ways to bring out the best in each dog. While Kirstin loves running fast, she also spent 4 years with a torn ACL injury while still competing at a world level. Through this she has a great appreciation for obstacle and skill independence and understands that often handlers don't have to run faster to get to better positions but instead can be smarter with their positioning and the lines they chose.

We are offering a novice/open session and several masters/international sessions.
